December meeting at EAA building

MRCMC General Membership Meeting Minutes

Date: Dec 5, 2012

Members Present: Luther Bitler, John Fabinski, Mike Fjerstad, Greg Gavit, Bob Hill, Bobby Hill, Jim Macrae, Mike Moore, Mark Nentwig, Mike Nentwig, Rob Pound, Ray Ruzsala, Milt Strom, Reid Tait, Bob Thompson, Jim Whitehead, Don Zahm.

Visitors Present: None

Bob Thompson called the meeting to order at 7:30PM

1. The minutes from last month's meeting were accepted as printed in the newsletter.
2. The treasurer was not able to attend the meeting, so no treasure's report was given.
3. Dues for 2013 are due and can be paid to Karl Eckerle.
4. Karl has secured a location for the annual MRCMC banquette. The banquette will take place on Feb 6th at Timbers on State Street in Saginaw. A banquette room which can hold 40 people has been reserved. A magician has been booked again to provide entertainment. This will be a different magician than the one who performed at last year's banquette.
5. There is no word on the grant being pursued for the purchase of a tractor and brush hog.
6. The calendar of events was discussed.
 - Dec 2, 2012 Ryder Center indoor fly from 6:00PM-10:00PM
 - Jan 5, 2013 MRCMC Snow fly
 - Jan 13, 2013 Ryder Center indoor fly from 6:00PM-10:00PM
 - Feb 6, 2013 MRCMC Banquette
 - Feb 10, 2013 Ryder Center indoor fly from 6:00PM-10:00PM
 - April 5-7, 2013 Toledo Swap Meet
 - April 26-28 MRCMC Midland mall static display.
7. For show and tell Milt Strom showed off a P-38 which was built from plans. The plane was originally designed with a one piece wing and was a control line airplane. Milt modified the design to be R/C with a three-piece wing. It is powered by two .40 size engines. Milt commented on the complexity of building the airplane. Bob Thompson showed off a small kit manufactured by Retro R/C. It is a small electric indoor flier.
8. Rob Pound gave a very informative talk on setting up a model helicopter. He reviewed the features of flybarless heli control system and how it is setup on the model. He also showed a demo of software used to set up a helicopter.

Minutes respectfully submitted by Greg Gavit on 12-7-2012

Don't forget to pay your Dues!
