**JUNE MEETING AT FLYING FIELD – Members brought dish to pass. Karl “fired” up the hot dogs. Crematorium –style. We all had a great dinner – thanks to all.**

## MRCMC General Membership Meeting Minutes

June 2012 Minutes

Bob Thompson called the meeting to order at 7:30PM

1. The minutes from last month's meeting were accepted.
2. The treasurer's report was given and accepted.
3. There were no visitors present at the meeting.
4. Jerry Hahnfeld gave a review of the Cub Scout Rocket Launch. Thirty-eight scouts successfully launched their rockets with all recovered. Kathy Gavit did a great job on meals and treats for the scouts and we thank her.
5. Al Klashak gave an update on the grant committee for obtaining a brush hog. Tractor Supply has advised that a tow behind is not appropriate for brush and would be costly to maintain. Al has done Internet searches and visited a dealer in Care. He has located a used Ford 200 that is 35-40hp, was built in 1956 but only has 900 hours of use. Al has also been in touch with the Midland Area Community Foundation. The committee will meet soon.
6. Bob Thompson gave a review of the Float Fly in May. The event was moved from Saturday to Sunday due to wind. Everyone had a good time with no safety problems. Spotter was used and safety was communicated with the general public.
7. Karl Eckerle gave a review of the EAA Breakfast. Three or four MRCMC members helped park planes. The breakfast was very successful.
8. Ron Wiles updated the club on the Electric Fly scheduled for January 9. Electric only flying will take place from 10 to 3. Milt Strom said he would cut the grass before the event. Kathy Gavit will provide Sloppy Joe lunches for the pilots.
9. Karl Eckerle said that a mowing calendar will be posted in the garage shortly. The mowing schedule is not functional on the web site.
10. Brad Wolfgang gave an update on the Mid-Michigan Fun Fly schedule for July 14. Volunteers have been given responsibilities. A lunch of hot dog, chips and pop will be given to each pilot. All other food will be sold.
11. The next meeting will be July 11 due to conflict with Independence Day.
