## MRCMC General Membership Meeting Minutes

Date: July 3, 2013

Bob Thompson called the meeting to order at 7:30PM at the club flying field.

1. The minutes from last month as published in the newsletter were approved.
2. The treasurers report was approved. Expenditures this month included \$91 for the wheelchair ramp to the shelter, \$49 for food for the All Electric Fly, \$20 for AMA Airshow registration, and \$414 returned to Midland Foundation as unused grant money.
3. The Midland Foundation grant was used to buy a tractor with brushhog and blade. New front tires were bought and \$200 was set aside to fill the front tires with foam. A final report was written by Karl Eckerle and the foundation was pleased to have unuse money returned.
4. The electric fly was very successful with a good turn-out and great weather. Thanks to Kathy Gavit and the ladies for providing a delicious lunch. The event was "lots of fun."
5. Elections are coming up in September. All officer positions and one board position are open for election. Nominations are open. Please talk to an officer or board trustee if you are interested in funning or nominating someone.
6. The annual air show will be held Sunday, Sept. 8. Bob Thompson is the Air show coordinator, Ray Ruzala will handle set up on Friday, Sept. 6, Jerry Hahnfeld is CD and a parking coordinator is needed. There was a comment that we should consider some entertainment. Bobby Hill made a motion to contribute our 50/50 raffle proceeds to Shelterhouse, a refuge for battered women. The motion was seconded and passed.
7. RC101, the DNR program for training youth will take place on Aug. 11. More details will be forthcoming.
8. Dick Erratt has donated his R/C collection to the club. The materials are presently in the club garage at the field. You can buy any of these items by making an offer to Karl Eckerle or Bob Thompson. The items will be sold until next month's meeting. The LT40 on the shelf is NOT part of this collection. Dick was elected to a lifetime member. Gordy will look into purchasing a placque.
9. The annual Mid Michigan Fun Fly is July 13 in Owosso. This is a fun afternoon of flying and is not a competition. A flyer is posted on the frequency pin box at the field. Members are encouraged to attend.
10. Chris Hawkins constructed a ramp into the shelter. This makes our shelter much more accessible. Thanks to Chris for the fine job.
11. A memory chip has been found in the pit area. It has been placed in the basket in the frequency pin box.
12. Upcoming dates:
  - DNR 101 – Aug. 11
  - Club Picnic/fun fly – Aug. 18
  - Swap Meet – Sept., 7
  - Annual Air Sow – Sept. 8
  - Otsego Float Fly – Aug. 24, 25.
13. Bob Thompson ended the meeting with show and tell of his new amphibious plane.

Respectfully submitted, Jerry Hahnfeld
