There were also four other members at the field cleanup. Jerry Hahnfeld cleaned out the bird houses at the field. Every tree swallow house had a nest in it. Thanks to those who came out to help with the field cleanup.
6. Elections will take place next month. All positions are open for re-election. If anyone wants to run for one of the positions, let Mike Nentwig know.
7. There will no longer be indoor flying at SVSU's Ryder Center. Instead the Frankenmuth club has secured a location in Frankenmuth and the Bay City club is attempting to secure the sports dome in Auburn for indoor flying during the winter months.
