MAY 3RD 2021 MEETING MINUTES

Board Meeting – Bob Hill called the board meeting to order at 6:30pm.

Board members in attendance – Dennis Albee, Bob Hill, Steve Zahm, Mike Curreri, Ken McNurlen.

General meeting called to order at 7:30pm.

Members in attendance – Jim Poznel, Mike Wentworth, Tom Jared, Jerry Hahnfeld, Luther Bitler, John Poma, Dave Kasper. No visitors present.

Old Business

Sign project update – Sign is up and one last piece of trim needs to be attached by Karl. Looks a lot more approachable with the newly cleaned ditches.

Runway grant project – Middle of June is still tentative timeline for repairs. The major cracks have been cut out already in prep of repair. The club is asking for donations to help defray the additional costs of \$3000. Please see Karl to donate.

Field cleanup day – Fresh paint is on pavilion, trees and brush were cut on west end, Art graded and leveled the driveway with his tractor, new sign installed. About 20 members worked.

New Business

Mowing schedule is up in the barn and weeks are available for signing to mow. Get \$20 off your dues if you perform mowing duties.

Pilot training started Monday, and is now every Monday through the summer, begins around 5pm.

Frankenmuth club is having a “light” sailplane competition Saturday May 29th starting at 9am. We have been invited to join them. Light competition could be 3–5-minute timed flight events. Directions to their field are: From the intersection of Mackinaw and Salzburg roads head about a mile south on the west side of Mackinaw is a farmer's field that they fly from. It is north of the barn and house. There is a sign out by the road.

Discovery Day Flight – we need at least three trainers, drone demonstration, and advertising. It will run from 12pm-4pm June 6th.

Update on Bill Doyle – Bill has a blood infection and is getting antibiotics, taking food and fluids. Dialysis and blood transfusions as well.

The next meeting will take place at the field 200 Patterson rd. Hot dogs at 5:30pm, board meeting at 6:30pm, general meeting at 7:00pm.

Program was safety talk with Dennis Albee.

Show and tell – Mike Wentworth showed his windows he custom pressed and baked in his oven for his Cub at 400 degrees. They will protrude through the window frames in the aircraft just like the real windows would.

Meeting adjourned at 8:15pm.

Come on out and have some fun flying while meeting other RC Pilots from around the area. You don't have to be a show quality pilot to fly here! If you don't want to fly or don't have anything to fly come out anyway. This is all about meeting people that share the RC model aircraft hobby. We're looking forward to meeting you and seeing old friends as well.

Weather permitting, we hope to see you there.
