1. Minutes from last months meeting were accepted as printed in the newsletter.
2. The treasurer's report was given and accepted.
3. There were no visitors introduced at the meeting.
4. Karl made a proposal for the club to purchase two spectrum transmitters for \$96 total. These transmitters will be used for flight training for students who have 2.4GHz Spectrum equipment. Other alternatives were discussed, but it was determined the original proposal to purchase two spectrum transmitters was the best solution. The proposal passed.
5. There are no new updates on the Dow land management program.
6. The purchase of a video projector for the club was discussed. After much discussion a vote was taken to determine if the club should continue to pursue the purchase of a projector. The vote was 12 for, and 4 against the purchase of a projector. A sub team will look into, and suggest a projector for the club to purchase.
7. The static display at the Midland mall was discussed. This will take place April 16-18. Setup will be on Thursday (April 15) evening after 8:00 PM. Next month Mike F. will pass around sign up sheets for work slots.
8. The reciprocal agreement between the Bay City, Saginaw and Midland clubs was discussed.
9. The banquet was discussed. There were many positive comments concerning the banquet; everyone had fun including spouses.
10. The Cub Scout rocket launch will take place on Friday April 23<sup>rd</sup>.
11. The spring clean up date is May 1<sup>st</sup>.
12. The club has offered to help the EAA with their pancake breakfasts. The MRCMC has historically helped the EAA with various fund raising events since they allow us to use their building for our meetings. The next pancake breakfast will be May 1<sup>st</sup>.
13. Milt is following up with Midland parks to use Stratford woods for the first float fly planned for May 8<sup>th</sup>.
14. The Homer Church is having an event during the first two weeks in August and that would present an opportunity for our club to put on a static display.
15. Martyn is looking for someone to take over as the webmaster for the clubs website.
16. A motion was made and accepted to adjourn the meeting at 8:35.

Minutes respectfully submitted by Greg Gavit on 3-5-10
