January 6th, 2021 "Meeting" Minutes

Happy New Year everyone! As you all know the December and January meetings were canceled. We thought I should send out this month's newsletter. I'll do my best to make it informative. Thank you.

Board meeting – The board decided to meet via email to take care of the few items of business that needed attention.

Old Business

- The annual winter snow fly was a great success! For those of you that do not follow the MRCMC Facebook page I have attached, at the bottom of the newsletter, the photos that Jerry posted.
- The board is looking into costs of making a two-sided sign for the entrance to the club that will enhance visibility to passing traffic. The quote will be proposed at a future meeting to the club.
- Ron Helmer brought up if the catch-a-fire program was on hold, he could contact Northwood about getting a project going for us and marketing students.

New Business

- One Trustee position was open for vote during the January meeting. Since we did not have the meeting and we needed to take care of this piece of business and we only had 1 nomination, the board decided to hold the vote via email. The results from the current Trustees in charge of the election:

The vote for Trustee is as follows:

Mike Curreri for Trustee - 12 YAY, 0 NAY.

Congratulations to Mike Curreri as our newly elected Trustee. Thank you to Bill and Steve, our current trustees, for taking care of the election.

- The February banquet has been canceled.
- Bob Hill reserved Stratford Woods Park for our spring and fall float flies. The dates are May 15th and September 25th, starting at 9:00 and going until we are done.
- Ron Helmer is working on our club re-chartering.

Program Schedule:

February or March-Jerry to present on habitat project with Dow and our field.

April-Bill on making canopies and hinges for low cost.

May-Annual club safety presentation. (We may need one more presentation if we cannot have our banquet)

Schedule of Events

May 15 – Float Fly, 9-?

Sept. 25 - Float Fly, 9-?

That is all I had. Hope I didn't miss anything. If I did, or you have any questions please get hold of me or one of the board members. Thank you. – Bob Hill
