**Board members in attendance** – Ron Helmer, Steve Zahm, Dennis Albee, Mike Curreri, Bob Hill, Karl Eckerle, Ken McNurlen.

**General meeting** called to order at 7:00pm.

**Members in attendance** – Mike Wentworth, Art Beagle, Tom Jared, Ron Buchanan, Greg Gavit, Mike Nentwig, Jim Poznel, Bob Ebach, Fred Schulz, John Poma, Dave Hundley, Chris Peters, Jerry Hahnfeld.

### Old Business

Discovery flight day is Sunday June 6<sup>th</sup>. There are four trainers available. Setup starts at 11am, flights start at 12 noon and runs to 4pm. Need two people in addition to the instructor plus support crew so need approximately 12 people there to assist.

### New Business

We need help with mowing as Karl and Dennis have been mostly performing the duties. The calendar is up in the garage on the east wall for sign up to mow. The field currently needs mowing once a week at least. Karl can show how to run the mowers and where to mow. This Saturday needs a little cleanup for discovery day.

Thanks to all that donated to the additional runway costs as the amount is very close to being completely covered. This is to defray the additional cost increase for the repairs this year. Donations are still being accepted by Karl at this time if anyone wishes to contribute that has not yet.

Runway project – The cracks are repaired now; resurfacing will begin about beginning to mid-August. They are waiting for things to dry up at the ends so the heavy machinery doesn't tear up the lawn. After the blacktop is set; black dirt and grass seed will need to be raked around the new asphalt from some volunteers. At this time there is a large lip at places that can damage aircraft and propellers until the project is finished. Exercise caution entering or exiting from the sides of the runway in its current condition.

Need to follow up the necessity of the AMA grant since the donations have almost covered the runway costs. We may not need the grant anymore.

Pilot training – 6 students with 4 trainers. Mike Curreri is our newest instructor. Monday evenings at 5pm to dusk.

June 14<sup>th</sup> at 3:30pm Bill Doyle's wife and children will be at the field to spread his ashes on the field as a memorial.

## Club Calendar

June 12<sup>th</sup> - Electric fly Steve Z.

July 17<sup>th</sup> - Family picnic.

Aug 7<sup>th</sup> - Combustion engine fly Mike Curreri.

Aug 14<sup>th</sup> - National model aviation day fun fly Jerry H.

Sept 10<sup>th</sup> - Air show setup.

Sept 11<sup>th</sup> - Swap meet 8-12 Greg Gavit and EAA Breakfast.

Sept 12<sup>th</sup> - Air show.

Sept 25<sup>th</sup> - Fall float fly Bob H. 9am till afternoon Stratford Park.

Oct to be announced – Cub scouts rocket launch.

Oct 30<sup>th</sup> - Fall cleanup.

## **Show and Tell**

Rawhide brought a Sig Kadet Sr. From his club in Florida. It was built by two of their members who passed away. It will make a great addition to our training fleet and a wonderful gift.

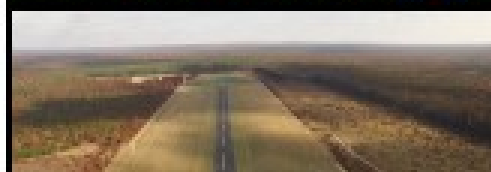

# Midwest Jet Pilot's

## June 10, 11 & 12, 2021 at the

### 7668 S. M-37, Baldwin

The Lake County Modelers and Flyers presents the  
7th annual Jet Pilot Rally

- We have a 3800' runway with paved RC ramps and paved 400' pit row (see pic below.)
- We provide a laid back flying experience where all pilots are part of the LCMFA family
- For this event we typically draw pilots from PA, OH, IN, IL, WI, KY, TN as well as all over MI.
- The pilots fee is only \$45.00. For each flight pilots get a ticket for the pilot's raffle .Lots of jet related prizes from our sponsors!
- Fly with the sun to your back all day!
- We have free onsite dry camping for Rally participants.
- We have plenty of air and ground space for pilots to "work out the kinks".
- **GatorRC will be set up onsite!**
- Plane storage tents available.
- Food service delivery for lunch.
- Any CDC recommendations in effect at the time will be expected.
- The Airport's RC Park is 1 mile south of Baldwin

## **Gladwin Area R/C Club**

# **Open Fly-In and Tailgate Swap Meet**

**June 19<sup>th</sup> 2021**

- **Location:** Charles C. Zettel Memorial Airport (Gladwin Airport). Gladwin, MI 48624. Flying field is located on the south east end of the Gladwin Airport.
- **Tail Gate swap meet and Open flying will begin at 9:00 am until you're tired of flying.**
- **Soft Drinks will be available on site.**
- **Bring your own lunch or Fast Food is available close to the field.**
- **We have a large grass field.**
- **No landing fees and plenty of parking space.**
- **No contests or flight schedules, just open flying.**
- **Model aircraft of all sizes, helicopters and turbines are welcome.**  
(No Drones, FPV allowed Airport Rules)
- **Pilots must have current AMA and FAA certificate.**
- **Pilots briefing at 9:00am.**
- **Spectators always welcome!**

Come on out and have some fun flying while meeting other RC Pilots from around the area. You don't have to be a show quality pilot to fly here! If you don't want to fly or don't have anything to fly come out anyway. This is all about meeting people that share the RC model aircraft hobby. We're looking forward to meeting you and seeing old friends as well.

Weather permitting, we hope to see you there.
