May 4th Meeting Minutes

Board Meeting – Chris Peters called the board meeting to order at 6:30pm.

Board members in attendance – Chris Peters, Karl Eckerle, Ken McNurlen, Steve Zahm, Mike Curreri, Ron Helmer, Dennis Albee

General Meeting – Chris Peters called the general meeting to order at 7:30pm.

Members in attendance – John Poma, Luther Bitler, Kevin Alfonso, Keith Jonas, Leroy Witucki, Jerry Hahnfeld, Ron Buchanan, Mike Wentworth.

Old Business

Club build project – Launch is in two weeks on Sunday May 22nd at 9am.

Airplane parking at EAA Saturday May 7th. Be at EAA at 6:30am for breakfast and preparations for parking planes until 11am.

Flight training has resumed with one trainee Kevin attending. Flight training will take place Mondays at 4:30-5:00pm.

Field cleanup day – About 15 people showed up to cleanup day. The field was very wet but equipment was started up and brush piles were moved. Art Beagle brought his tractor and leveled the driveway.

Memorial Day parade – Members meet at Karl's house and planned the float. There is one more meeting to mock up the trailer but no airplanes mounted until the day of the parade. Will set layout and as much prep as possible. One more meeting Tuesday May 24th at 5:30pm for final mock up and place signage on the trailer. Plan is to advertise for discovery flight day on the parade float with the slogan "try r/c free".

Fire department training – April 19th the fire department came out to the field for training. It was the coldest and windiest day of the spring. They brought out all three drones and flew the DJI drop drone for practice drop of floatation devices for rescues. They also flew the Autel drone with the FLIR system. Altogether they were out for a couple of hours until succumbing to the cold.

New Business

June meeting is out at the field. Meet at 5:30pm for hot dogs, 6:00pm board meeting, 7:00pm general meeting.

Mower update – Oil has been changed in both and blades sharpened. Check on gator blades for heavy duty mower usage in the next week. Mowers are back at the field and ready shortly for operation.

Need to look into getting event schedules on Facebook page and a link to the website also.

Discovery flight day advertising suggestions - tv, cable, newspapers, radio. Sunday June 5th 1-4pm. Bring a friend out and get the word out to the community.

Air show advertising starting in June – Advertising flyers, radio stations, online media calendars should be utilized. Air show to have representation present from the Midland Fire Department to do flight demos and answer questions.

The charity for 2022 was moved and supported as the Legacy Center for Student Success.

Program – Safety talk from Dennis Albee.

Show and tell – Kevin brought his carbon cub and Dennis brought his Baby Moffett.

Meeting adjourned at 8:50pm.
