Memorial Day float – good turnout, 5 airplanes on deck of Karl's trailer which was set up as a runway. Lots of comments from community on setup and air show. 19 block long parade. Got our name out and folks got to see our club information.

Mower update – everything running well, we need people to mow, sign up for weeks. Needs to be mowed every 5 days currently as the field is wet and growing. See sign for mowing heights to keep blades out of the grass and scalping the field.
