July 6th Meeting Minutes

Board Meeting called to order at 6pm by Chris Peters. Members in attendance - Chris Peters, Karl Eckerle, Mike Curreri, Dennis Albee, Steve Zahm, Ron Helmer, Frank Lee, Ken McNurlen.

General Meeting called to order at 6:30pm by Chris Peters. Members in attendance – Jim Clark, Greg Gavit, John Laundra, Jim Poznel, Kevin Alfonso, Mike Moore, Bob Hill, Jim Hilarides, Mike Nentwig, Barry Kissondial.

No Visitors.

Old Business

Flight line training - New pilot Kevin Alfonso. Frank and Jim Clark current students.

Mower update – There was wear on the level rollers on the right side of the deck which were re-welded. It mows nice now that its repaired. Volunteers are needed to mow. Calendar to sign up in barn. Two marks on the deck lower mark is for the field. The upper mark is for the parking and general areas. Get money off your dues for mowing. Need weed trimming as well. There is one in the barn and gas it is ready to go.

Discovery flight day report – bad weather with rain off and on. Four flights for the few people that showed up. More than last year though. People saw the float signs from parade or knew from other members.

Air show advertising – Fire dept attendance with drone and equipment to be put in the advertising. New flier to be made up with our logo and MFD logo with Greg Gavit. Copies will be made to post in locations that members can display. Potential scheduling with TV stations for advertising. Facebook, website, Ask Midland, WSGW radio. Flier is on our website to all members that can be printed/posted as needed. Will be emailed as well to membership.

Sig fly day June 25th occurred unsure of attendance from the group.

New Business

Family picnic – Club supplies hot dogs and iced tea, whatever else is wanted is as a dish to pass. Eat at noon. Saturday July 16th.

This weekend is Selfridge Air Force base air show. In Harrison County by Detroit, free attendance.

Aug 11-14th at MBS the WWII pilots group will be there for an air show of display and ride along flights in the aircraft for a fee. See MBS website for details.

Bob Hill has a contact interested in producing carbon fiber props and they would potentially like props as examples. They may be interested in field testing of their props in the future. Bob will have more info in the future.

Meeting adjourned at 6:55pm by Chris Peters.
