August 3rd Meeting Minutes

Chris Peters called the meeting to order at 615pm.

Members present – Karl Eckerle, Mike Curreri, Mike Wentworth, Bob Hill, Ken McNurlen, Chris Peters, Ron Helmer, Jim Clark, Jim Poznel, Greg Gavit, Dennis Albee, Jerry Hahnfeld.

Old Business

Flight Training - Working with Frank on flight line training. Mondays at 4-5pm for students.

Schedule of events in newsletter and website. Facebook can be listed also but only viewed to members of Facebook group. Chris will post what is going on in the beginning of the month to Facebook for the group to view.

Mowing schedule- Still need people to mow, sign up on the calendar in the barn. If you mow you get \$20 off next year's dues.

New Business

Air show advertising – Ron contacted AMA for names of Michigan clubs and notified them. Tv5 contact was repeated but has been a struggle, emailed no answer and called program director but no response.

-WSGW did not respond to email, but in person responded and want to do a full hour show with Art Lewis. Kevin, Karl, and Chris will schedule to meet With Art.

-Contacted community calendars and air show is listed with them.

-Midland Daily News has it on their calendar, asked them for a page article no response on that yet.

-Flyers to post available.

-Schedule of events available for spectators as they arrive so they know what will be coming up in the show.

-Ron needs the presence on Facebook if someone could help with sharing on Saginaw and Bay county Facebook groups.

Air show donation moved and supported @ \$250.00 to Legacy Center for Student Success.

Limit free lunches to visiting pilots from other clubs only, and if they fly, and Randy because of the additional expense of food truck. \$5 voucher provided at registration.

1100am and 200pm proposed for Fire Dept drone demos. Demos twice during event.

Family picnic- Lots of good food and flying.

September meeting is at EAA building.

No news on carbon prop design yet. They are planning to attend air show

August 6th 9am combustion fly food at 11 bring dish to pass.

Make sure we are locking our lock through the chain and the Dow lock. If we lock Dow out and they need access to their property they will cut our lock. Our lock needs to go between the Dow lock and the chain.

Club Schedule

August 6th – combustion fly
 August 13th – national model aviation day fun fly
 September 9th – air show setup
 September 10th – swap meet
 September 11th – air show
 September 24th – fall float fly
 October TBA – cub scouts rocket launch
 October 29th – fall field cleanup
 NYE fly – weather permitting 9am-2pm

Chris peters adjourned the meeting at 7:10pm.
