Minutes from last month's meeting - Voted and approved Minutes

Treasurer Report – Karl presented and the attendees approved.

Old Business

Field mowing – we still need help mowing sign up in the barn.

Family Picnic – 20+ people attended good turnout.

Crack repair is completed. Some were pretty deep but they all were repaired and smoothed out.

From the Desk of the Corresponding Secretary:

From last meeting I DID:

1. Contact new Drone Captain (Keith Jonas retired) Jacob to confirm Fire dept Drone demo for air show. I sent him last year's flier, airshow sched and various docs. He said He'd "love to do it "... & said he'd check with chief and confirm w me. That was 4 weeks ago. I re-emailed him twice with no response yet.

Someone will need to nail him down - I likely won't be at airshow - My Bultaco flattracker racing maiden flight is this fri and sat nite and schedule continues thru sept.

2. Goldmedal Club Status - AMA paperwork was completed 3 weeks ago and were approved ... pins will arrive any day now.

3. Grace Dow Subscription from Us - Resubscribed I did complete paperwork and sent to Karl for check to be written and sent to AMA so that a subscription to AMA MAG goes to Grace Dow Periodicals dept. They are grateful :) so that's done.

New Business:

Combustion Fly Aug 5th at 9am kickoff. There will be hamburgers/hotdogs provided.

National Model Aviation Fun Fly Sat Aug 12th kicks off at 9am. Free will offering as donation to enter.

Air show preparation-**we need someone to get ahold of advertising/media for the air show**. Contact Chris or Karl to help out. Need good turnout for September 8th before the swap meet to set up fences/posts for pits at 9am.

EAA breakfast parking planes September 9th 6am. Volunteers will be needed. Batons will be made by Chris to supplement what the EAA has.

Trash pickup – anything in our wheeled bin has to be in a plastic bag. Do not throw odds and ends into the big wheeled bin. Use the trash can in the pavilion in the bag and put the bag into the wheeled bin when full. Bags will be in the grey case. If not bagged the city may fine the club.

September meeting is at EAA at 7:30pm.

The floor in the tractor shed needs to be redone. It will be a work day job to be scheduled after the air show.

Remote ID email sent to Chris stating that Sept 16th 2023 is start of RID. Those who fly other places other than FRIA, ex. Our flying field or another AMA field. However, we do not at the time of the meeting have the approval from the FAA. Karl and Ron will be in touch with the AMA to confirm as we have not received the official letter at the time of minutes recording.

Show and Tell – Mike Wentworth ¼ scale clipped wing cub donated for pilot's raffle at the air show. On display in the garage.

Meeting adjourned at 6:47pm by Chris Peters.
