MRCMC March 6th 2024 Meeting Minutes

Board Meeting

- Dennis Albee called the board meeting to order at 6:30pm.
- Board members present – Dennis Albee, Kevin Alfonso, Karl Eckerle, Ken McNurlen, Ron Helmer.

General Meeting

- Dennis Albee called the general meeting to order at 7:30pm.
- Members present – Mike Nentwig, Chris Peters, Mike Wentworth, Gene Thompson, Justus McKeen, Bob Hill.
- Visitors Present – None.
- Recognized new board members – President Dennis Albee, and Vice President Kevin Alfonso. All other positions remain the same.
- Minutes from last week's meeting approved.
- Treasurers report- did not get recorded.

Old Business

1. Annual club banquet – Karl. Approximately 30 people attended and enjoyed Kevin Alfonso's presentation. All enjoyed the banquet and had positive comments.
2. Meeting programs for April and May

New Business

1. Spring cleanup April 27th 9am. Coffee and doughnuts provided. Bring brush cutting equipment, trimmers, and gloves for cleaning brush and weeds.
2. FRIA and AMA sanctioned events – Jerry H. We will notify the FAA and AMA for sanctioned events offsite such as the float flies to be approved for no remote ID requirements. This covers ¼ mile from the event for registration.

3. Midland County Fair table in merchant building display aircraft and club info proposed by Kevin Alfonso. Could be a good space to promote the airshow as the fair is a few weeks before the event. We have access to stands to display aircraft away from the public for safe display.
4. FRIA approval sticker for sign by road proposed by Ron Helmer to be made by Mike Nentwig's wife.
5. Bob Hill reported that City of Midland Engineering is closing Stratford Park after September 3rd to facilitate road repairs. Bob will explore another venue, potentially in the county instead of the city. More news to come. The money will be refunded to the club for park registration. This does not affect the **Spring Float Fly** at Stratford Park scheduled on May 11th, that is **still on**.

Program

- Covering a wing – Karl.

Show and Tell

- Fire safety products from Prepared Hero who makes a fire blanket and extinguishing spray. – Kevin Alfonso.

Meeting adjourned by Dennis Albee at 8:16pm.
